

Poster Presentation Tips

- Try to keep your poster to 7 PowerPoint slides or less.
- If you are using Word to create your poster, make sure it's easy to print.
- Make sure your name, organization, and contact e-mail are included on your poster.
- The poster should speak for itself.
- Make sure to consult with your content lead about the content of your poster.
- When you're done with your poster, send an e-mail to SummerofLearning@air.org. We'll send you dropbox instructions.
- Submit your finalized virtual poster to the Summer of Learning dropbox **by September 1.**
